WILLIAM ONGAKI
FRONTEND DEVELOPER

📞 +47 41179860   ✉ ongakiwilliam@gmail.com   📍 Selma Ellefsens Vei 3C

EDUCATION

Mar 2021 – Mar 2023

Noroff school of technology and digital media

As a Frontend Developer, I have dedicated two years to studying the latest technologies and best practices in web development. With a solid foundation in HTML, CSS, JavaScript and React, I am skilled in creating responsive, user-friendly websites and applications that deliver an exceptional user experience.

Aug 2017 – Jun 2019

Diploma, Bådar Dance Academy

As a diploma graduate in Dance, with a focus on Hip Hop, Contemporary, Ballet, and Step dance, I have developed a diverse range of skills in various dance styles. Through my studies, I have honed my technique, performance, and choreography abilities to create dynamic and captivating performances.

WORK EXPERIENCE

Jan 2018 – Jun 2020

Sats Elixia

As an instructor, I prioritize safety, providing clear and concise instructions while monitoring my students' progress to ensure proper form and technique. Through my work as a group instructor, I have developed strong communication, leadership, and organizational skills, making me a valuable addition to any team.

Jun 2018 – Mar 2022

Warehouse Worker

As a warehouse worker at H&M, Oda, Relokator, and Bama, I gained valuable experience in logistics and inventory management. My responsibilities included receiving and processing incoming stock, picking and filling orders, and organizing and maintaining the warehouse.

Jul 2018 – Sep 2019

Waiter

As a waiter at Nighthawk Dinner, I provided exceptional customer service while ensuring the smooth and efficient running of the restaurant. My responsibilities included greeting and seating customers, taking orders, and serving food and beverages in a timely and professional manner.

SKILLS

⊙ Proficient in HTML5, CSS3, and JavaScript with experience in Bootstrap, and React.js.

⊙ Skilled in responsive web design, cross-browser compatibility, and user interface (UI) design.

⊙ Experience with front-end development tools such as Webpack, Gulp, or Grunt.

⊙ Familiar with version control tools such as Git and GitHub.
